Issuing Authority:

The Florida PDMP Foundation, Inc. (Foundation) was established by the Florida Legislature in 2009 with the adoption of section 893.055(11), Florida Statutes (F.S.) The statute was amended by the legislature in 2018 as 893.055 (15). It is a Direct Support Organization under contract to the Florida Department of Health under the Division of Medical Quality Assurance (MQA). During the 2017 legislative session the law was amended to continue the foundation's operation from October 2017 to October 2027. It is a not-for-profit corporation created under Chapter 617, F.S. and is organized and operated as a tax-exempt organization under section 501(c) 3 of the Internal Revenue Code. Its board, of up to 11 members, is appointed by the State Surgeon General. The business of the Foundation is managed by the Board of Directors and its executive director.

Mission:

The mission of the Florida PDMP Foundation, Inc. is to aid, provide supplemental funding, and promotional support for educational and outreach activities authorized by the legislature for the State of Florida Prescription Drug Monitoring Program known as E-FORCSE (Electronic-Florida Online Reporting of Controlled Substances Evaluation).

Results:

Since its formation, the Foundation has raised over \$3.25M in supplemental restricted funds and federal grants for outreach and education programs to promote the state's PDMP to healthcare practitioners and law enforcement officials. In FY 2021-2022, the foundation also continued its contract with the Department of Health to implement sections of the Center for Disease Control and Prevention's Overdose Data to Action Grant (OD2A), a national Opioid education program. Under the grant, it continued to promote and present a peer-to-peer course on best practices for the use of the PDMP database directed at prescribers and dispensers of controlled substances. The course was presented live at the Pinellas County Osteopathic Medical Society winter seminar in Clearwater Beach; the Florida Osteopathic Medical Association annual meeting in Ft. Lauderdale and in cooperation with the Duval County Health Department in Jacksonville. It was also conducted as a virtual presentation at the FOMA winter seminar. The course is also available online through the Florida Medical Association and CE Broker.

As part of its OD2A Grant deliverables the foundation also developed and presented four webinars related to Florida's efforts to address the national opioid epidemic. The webinars were produced by the Florida Medical Association and made available for viewing to over 60 national jurisdictions participating in the CDC grant.

The four webinars included topics on Academic Detailing for Florida's Prescription Drug Monitoring Program; Building a Data Warehouse and Linking to other Systems; Opioid Safety; and Data Source Integration and Linkage.

The grant also funds a monthly E-Newsletter distributed to over 700,000 healthcare practitioners and staffs. The newsletter provides updates on the state prescription drug monitoring program operations, legal and regulatory issues and statistics related to the prescribing and dispensing of controlled substances in each Florida county.

A major part of the association's role is to continue to assist the Department in its promotion of E-FORCSE to practitioners and law enforcement officials. The foundation provided funds to exhibit at state and regional conferences and trade shows. During the fiscal year, the PDMP Foundation/E-FORCSE exhibit was presented at the Florida Pharmacy Association, Florida Society of Interventional Pain Physicians, Florida Medical Association, Florida Academy of Physician Assistants, Florida Police Chiefs Association, Florida Sheriffs Association, Florida Podiatric Medical Association, Pinellas County Osteopathic Medical Society, Florida Osteopathic Medical Association, and the Florida Dental Association conferences.

Currently the PDMP Foundation board of directors has eight members. State Surgeon General Dr. Joseph Ladapo is reviewing board positions for appointment.

At the close of the current fiscal year, the PDMP Foundation had assets of over \$1.129M. The approved budget for FY 2021-2022 was \$96,400. In addition, the foundation's allocation from the Department of Health for completion of OD2A grant deliverables was \$250,000. The foundation also contracted with the FDOH to administer the Harold Rogers JUA Grant with a budget of \$122,000.

Background:

As a Direct Support Organization to the Department of Health E-FORCSE program the PDMP Foundation continues to actively support with supplemental funds-controlled substance education programs for healthcare practitioners and law enforcement officials. This included presence at several state and regional healthcare and law enforcement conferences and trade shows.

The 2021-2022 the board of directors continued with 8-members comprised of three physicians, an oral maxillofacial surgeon, a pharmacist representing a large pharmacy chain, a corporate legal counsel with a background in nursing, a county sheriff representing law enforcement officials and a doctor of podiatric medicine. Three of the board members are officers, directors, or trustees of their state professional associations. Two board members are also on national specialty organizations. One of the board members is also a past chair of a Florida regulatory board. In accordance with the PDMP law, all board members are appointed by the State Surgeon General.

In addition to its support of E-FORCSE outreach and education efforts the foundation continued to make live and virtual presentations of its peer-to-peer education program on the best practices for use of the PDMP database. These programs were funded from the OD2A grant budget. The course covers the legislative intent of the PDMP, the role of the foundation, the legal and regulatory requirements for use of the database, the best practices for use of the database and prescribing and dispensing information that can be accessed from the database. The course continues to be offered live for physicians and podiatrists through the Florida Medical Association continuing medical education programs on its website. It is also available online for dentists, pharmacists, and nurse practitioners through CE Broker.

With the PDMP Foundation's support to the Department's PDMP, doctor shopping has been reduced by over 90 percent since 2011. Additionally, through the Foundation's efforts and support, E-FORCSE continues to be a major deterrent in reducing deaths due to overdose prescription drug-controlled substances.
